The preparations for the Christmas celebration started a several weeks before the arrival of Christmas. Students and teachers are happily decorating the Christmas tree, the Christmas tree symbolizes new life and a new spirit. The children are most excited for this festivity as Christmas is celebrated in every school before it closes for the winter vacations.

During Christmas celebrations, students show caring about others, principled in making decisions and risk-taker performing to audience. All the three programs (Early Years, PYP, and MYP) in Mar Qardakh school were engaged and collaborated in celebrations.

The festival is celebrated by singing carols, hymns, prayers, and performance. The celebration also included presenting congratulations from administration and His Excellency the Bishop Warda to our dear students and teachers and wishing them a very successful year.

Lastly, the function is ended by the arrival of Santa Clause with the song "Jingle bells jingle bells jingle all the way". The Santa Clause gives blessing to children and distributes the gifts among them.
